

I would like to welcome Darcey to our staff team. Darcey is based in the Rabbits room full time. I would like to congratulate Lyndsey L on becoming Deputy Manager.

Illness and Recuperation Policy

If your child is ill please refer to our Illness and Recuperation Policy if you are unsure if they can return to nursery or contact us.

Please ensure that if your child requires medication whilst in our care that you have completed a medication form.

Please also be aware that emergency Calpol is for emergencies only and you will still need to collect your child.

If you have any queries please see Claire or Lyndsey, Thank you for your co-operation in this matter.

Clothing

Can we remind you to please label all of your children's clothing including coats and shoes. We are finding the children are coming into nursery with the same coats and shoes for example; this can sometimes lead to children taking home the wrong coat etc.

Can we also remind parents to make sure they are bringing spare clothes in for their child as we are running very low on our spare supply.

Sponsored Bounce

I would like to thank all of the children and parents who took part in our sponsored bounce July 23.

The money we raised we have bought new wet suits for the children.

Training Day

Please can we remind parents we have a training day on Mon 9th of Oct 2023 and will be closed all day.

Nappies and Wipes

Again we are finding on a regular basis children are coming into nursery without a supply of nappies and/or wipes. Please can you make sure that your child has enough supply to cover their sessions.

Unfortunately if any children don't have what they need for the session you will be asked to return with the supplies needed for your child to
